

WE ARE WHAT WE EAT

SECOND PROJECT MEETING IN CUBA, PORTUGAL

7.11.2021-13.11.2021

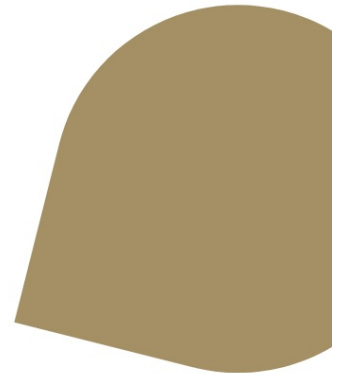

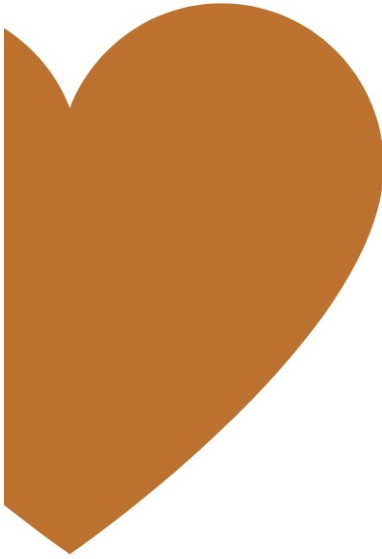

CUBA REAL

Monday

The first day started with breakfast in our hotel, where we were welcomed by the lady and her dog, giving us a very good and filling breakfast. There we met people taking part in Erasmus, teachers from the school and students, all of them were very friendly and nice to us. The school showed us its presentations, the children performed and we introduced ourselves to everyone. After getting acquainted, we went to the library, where we played a board game and talked a bit, after finishing the board game, we went to the canteen, where we were treated to food typical for a given country. After we ate, we started talking to students at school and making new friends with them. The principal showed us around the school and showed many classes in which the students of the school study. The classrooms were very decorated, with many drawings on the walls and paper ornaments hanging from the ceilings. After visiting the school, the ladies took us to olive trees, where we picked olives and then crushed them at school. We ended the day with a dinner where we all spent time together.

Tuesday

The second day we started with breakfast and visit to school. That day we went to the farm, where the owner told us about trees and other smaller plants. He told us how to take care of them so that they grow quickly, how to protect them from the cold and other information needed to care for plants well. After some time, we went to the building, where we sat down at the table, and those who were willing could help in preparing the dish. We had the opportunity to try different dishes, some were better, some were worse, but it was still worth trying. After the meal, a guide showed us around the city and the various museums and ruins that were there. The height at which we were allowed to look down on the beautiful city. We had the opportunity to buy souvenirs and various Portuguese sweets there. In the evening we went to a restaurant with a group from Italy and had dinner with them.

Wednesday

The next day, we went to the school library, where we discussed the topic of food and ecology, which is important in our lives and needed to respect our planet. We got newspapers from which we cut out food that we had eaten for breakfast, and then filled out ecology sheets. The lady showed us presentations and videos informing how to care for our planet. After finishing work, we went to the school playground, where we talked with the children who played football there. After a while, we were invited to one of the classes where we were making rolls with traditional Spanish sausage, i.e. chorizo. While our rolls were baked, we went back to the library and everyone gave presentations on food from their country. After the presentations, we ate dinner and bagels and went to the Hotel. In the evening we went to a restaurant, where we had a good dinner and spent time together outside the restaurant.

Thursday

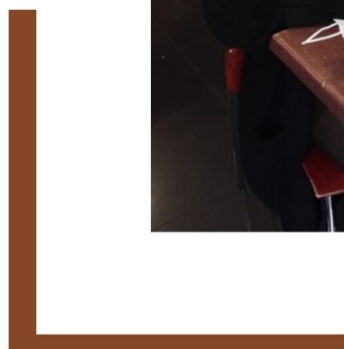

Today is November 11, Independence Day in Poland, so we decided to take a photo with our flag in front of the school. After taking pictures, we went to the library where we got a worksheet and then went to the city where we had to find 40 places in Cuba, we had to take pictures of these places and write something about them. After the game, we went to the cafeteria and played Food Lab, a game in which there were spices in boxes that we had to guess by smell and touch. In the afternoon we went to the square in front of the school, where we could see the children's performances and a table with Portuguese food. After that we had to say goodbye to students and teachers. In the evening we went to a restaurant and walked around Cuba. We saw the church, at night we visited the vineyard and the center of Cuba.

Friday

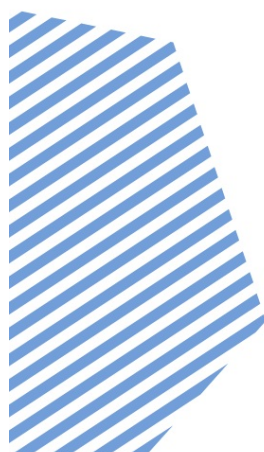

We started the next day with a trip to the Vasco Da Gama museum, where we could see old school uniforms, school supplies, a dentist's office, a shoemaker and an old pharmacy. There were also handmade dolls in the museum. Later we went to the Wine Museum where we could see how wine was produced. In the afternoon we went back to school and on large pieces of paper we wrote down the memories that we will miss and what we liked the most. In the evening we went to dinner and walked a little more around Cuba.

Saturday

On the last day we left the hotel for the airport and said goodbye to the Italians there. We had to go through a lot of gates but it passed very quickly. We flew to Ireland by plane because we had to change the plane there. We did a little shopping and got on another plane. The journey passed very calmly and without any complications. We returned to Małkinia at night by bus, very tired but satisfied. It was a very interesting experience, because we visited wonderful places and made a lot of new friends.
