

## USING MOBILE APPS IN THE LEARNING PROCES

**Fifth project meeting in Chieti,  
Italy 30.05.2022 - 03.06.2022**

# Saturday

**This day started very early. Exacly at 3 a.m. When in front of our school we said goodbye to our parents. After 2 hours journey we got to the airport. Our flight was at 6 a.m. We were in Italy at 8 a.m, so our flight took 2 hour. When we got to our hotel, we cheked-in and we went sightseeing around beautiful Rome. Most of us was here for the first time. And we were really happy to be there. Our sightseeing started in Vatican City. There we were watching Saint Peter's basilica from outside and inside. It was really amazing After sightseeing St. Peter's Square and all the churches wich were there we moved to Spanish stairs. Next we went to see Trevi fountain. We took some photos and went to see also Italian parlament. It was big! After a long day we came back to our hotel where some of us watched Champions league Final and we went to sleep. Because the next day was also really long for us and tiring.**

# Sunday

**This day started surprisingly late at 9 a.m. We had breakfast at 9.30 a.m. After that we went to the bus station, because we had to go to Pescara. This trip took really long time. But it pays off when we got to Pescara. We checked-on to our hotel and we went with our teachers to the beach which was across the street. After our sunbathing luckily we met our first friends from Italy. After that we went to the dinner and it was the end of the day.**

# Monday

**In the morning we went to the "Luigi di Savoia" school in Chieti. We presented important information about our countries, schools, cities and educational systems. We had a break and we were dancing and singing. We had a chance to get to know students from other teams better. Then we went to have dinner in a restaurant. After the meal we walked around Chieti admiring its beautiful medieval Streets and building. In the evening we came back to Pescara and spent time on the beach.**

# Tuesday

We woke up and had breakfast. First activity of this day was “creative writing” with Donatella Fitzgerald. We learned how to write and remember everything at once. Next we ate dinner and we started “treasure hunting”. While we were sightseeing Chieti in groups we had to take photos of designated points. Group which reached meeting point first won. Only 1st place was meant to gain a special reward than other groups, but finally everyone got the same reward- sweets with life advice. Then we went to the theatre. It was amazing theatre, because of it’s beautiful curtain and construction. After this sightseeing we played volleyball in Pescara. We went to eat dinner and for a short walk. We went to sleep late but we were delighted with that day.

# Wednesday

We started our day by having breakfast and getting ready to leave the hotel. Then we went to the Archeological Museum in Chieti, where we saw a lot of ancient remains, figures and tools. Then we went to the school in Chieti where we had an opportunity to admire and participate in a traditional dance lessons, well-known in the Abruzzo region. After the dance we had the certificate giving ceremony, where we watched a few videos about our Erasmus Journeys and said goodbye to our colleagues and friends. In the evening we finished our day by having a pizza party by the beach with a lot of

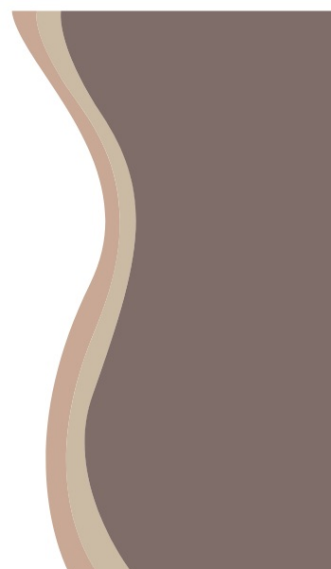

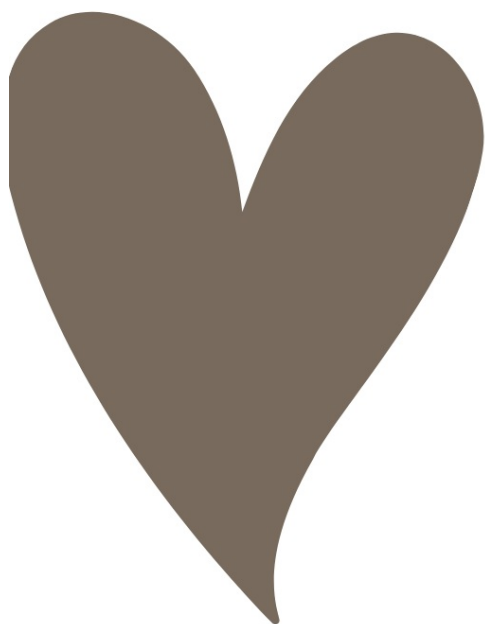

# Thursday

**On that day we got up in the morning and ate breakfast quickly. Then we went to visit the church San Giovanni in Venere. The school was closed that day so we couldn't go there. It was a National holiday. That day we went for a bike ride along Trabocchi Coast and then we ate pizzas. We spent the rest of the day on the beach and enjoyed our last day in Pescara.**

# Friday

**We've spent the last day of project in the capital of Italy - Rome. The guide showed us many important and beautiful places, such as Colosseum , Roman Forum, Pantheon, Trevi fountain and Piazza di Spagna. We had lunch together in local restaurant, and not so long after we had to say goodbye. It was the most emotional and saddest day. After exchanging some nice words with each other, we left off to the airport and flew to Poland.**
